A DLF Foundation Initiative

Animal Healthcare

Following the success of the CGS Hospital in Gurugram, the CGS Charitable Trust has launched the CGS Veterinary Care Centre at DLF South Square Mall, Sarojini Nagar, New Delhi. The Centre is dedicated to the cause of animal welfare and is fully equipped to cater to the veterinary, grooming, and boarding needs of your animal friends.

Story in focus

Cool D, a stray dog was brought into the Pasha wing as an emergency case for hernia. He has now recovered completely and is ready to find a healthy and happy home.

School Visit by the CGS Team

The CGS expert veterinarians, Dr. Samprikta and Dr. Salisha visited Lancer's International School, Gurugram, for an interactive session with young children aged 4-7 years. The session was a success, and the children were delighted to learn about the role of veterinarians in our society and the importance of animal care.
